

GRW-TL - Toplight Grow Light

Type: _____
 Project: _____
 Catalog #: _____

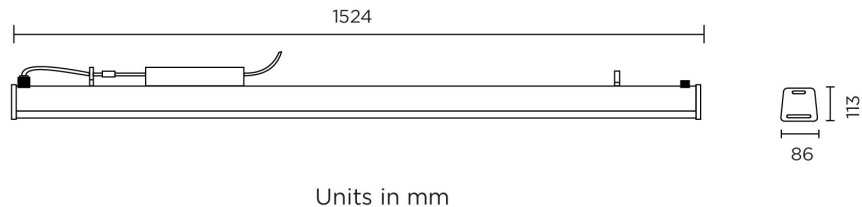

Main Features

- LED light designed to stimulate growth
- High light level with less heat
- No mercury or other harmful heavy metal
- Excellent replacement for HPS lamp and metal halogen lamp
- IP 65 - protected against humidity and dust

| | |
|------------------------------|---|
| Model | GRW-200TL |
| Power Consumption | 200W |
| Input Voltage | 90-305V AC |
| PAR | |
| |  |
| Light Distribution | 60° |
| PPF | 432 umol/s |
| Operating Temperature | -20°C-45°C |
| Dimensions | 1524 x 86 x 113 mm |
| IP Rated | 65 |
| Certification | cULus, RoHS, CE |
| Warranty | 5 Years |
